PD Day reminder

On Friday 14th February this year it is a PD Day for our school- which was agreed within the IP12 group of schools before it was published a year ago. This means it is a training day for teachers and not a day for pupils to be in.

Oak class sharing assembly and book sharing session

We would like to invite Parents and Carers to Oak class's sharing assembly and book sharing session, this coming Friday 31st, starting at 2.30 pm. During the assembly the children will show you what they have been learning and then go through their books with you in the classroom. We hope you can come.

Basketball reminder

Selected pupils have been practicing this for a basketball competition. Please can they come in the correct PE kit on Tuesday ([see the website for the kit expectations](#)), could they all have a packed lunch please as we will be eating before the usual school lunchtime, a named water bottle and healthy snacks to keep them going through the afternoon. Thank you.

Athletics update

We are not sure where we ranked for the tournament but we were so proud of all the children who attended. They joined in even though some were a lot younger than the competing schools, they listened to the instructions from all the adults at the event and supported each other throughout the time. Well done to all of the children for representing us so well.

Term dates for 2025-2026

The [term dates](#) are now on the website- next Summer 2026 we have a PD day at the end and you may be able to get a holiday deal by being on holiday slightly quicker than other schools who do not. Worth a look.

Forest School

A quick reminder that as well as being in PE kit for these sessions with a waterproof coat, the children need shoes for being outside and a different pair for when they come back inside. There is a lot of mud trekked in without the change of shoes. Thank you for helping with this.
