Hazel class sharing assembly and book sharing session

We would like to invite Parents and Carers to Hazel class's sharing assembly and book sharing session, this coming Friday 7th, starting at 2.30 pm. During the assembly the children will show you what they have been learning and then go through their books with you in the classroom. We hope you can come.

An invite for a Tea or Coffee before the assembly

If you would like to come early for the sharing assembly, we are trialling a time for parents and carers of the class to have a hot drink and chance to talk to each other before the assembly starts. If you come from 2, we can make you a tea or coffee and you can chat as we put the chairs out ready.

Parents and Carers Meetings

We are having Parent and Carer meetings on the 11th and 12th of February. We will set up slots that can be booked with the class teachers on Class dojo next week. They will ping through to you on dojo when they are ready, please then pick what suits you. Thank you.

Wrap around care update

We have had some people who would like longer childcare hours after school. We are trying to work out if this is feasible with the costs of staffing. If you could now identify yourselves with which evenings you

would like this would help to ensure we could cover costs before we trial anything. Please email the office and confirm what you would be booking regularly so we can move forward with this, thank you.

PGL payment

A payment for PGL for the year 5 and 6 residential trip in the Summer was due on January 31st. You can over pay, or pay less but more often on the system if that works better for you.

Long hair

Please can children with long enough hair to tie up into a band please do so for school, thank you. It stops lice, which we do not have a problem with at the moment.

Forest School- a reminder

A quick reminder that as well as being in PE kit for these sessions with a waterproof coat, the children need shoes for being outside and a different pair for when they come back inside. Please can they also be in trousers for these sessions, so they can climb trees and not get hurt with the brambles and nettles. Thank you for helping with this.
